FRONT VIEW

The Adlake No. 254 Semaphore Lamp is the same as the well known Adlake No. 180, except that it is equipped with Adlake Square-Top Ventilation and Wind-Proof Door.

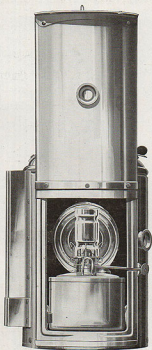

Parts for the No. 254 Adlake Semaphore Lamp R. S. A. Standard

The above numbered list of parts of the No. 254 Adlake Semaphore Lamp was made up for the convenience of customers. Repair parts may be ordered by numbers only, making it unnecessary to send in samples or lengthy descriptions of the parts. This not only makes it easier to order repair parts, but makes it easier for us to fill the orders promptly.
